

Submission Deadline: December 3, 2021, at midnight.

Screening Date: Monday, December 13, 2021

Submission Guidelines:

- You must be a current member of Factory Media Centre to submit. We always welcome new members! Or, if you are a returning member please purchase/renew your annual membership. For help with purchasing your membership please contact Kristina at info@factorymediacentre.ca.
- Each member may submit up to 2 pieces. Please indicate which film is your highest priority in the event that FMC receives a large number of submissions as we may have to limit the pieces in the live watch party to reduce the duration of the overall program.
- This year we are accepting audio, film, video, and documented performance works.
- Please only submit work that is ready to be shown.
- Pieces may not exceed 15 minutes in length combined including credits (whether video or audio). Members are welcome to submit excerpts of longer works.
- Please keep your file sizes to 2GB or smaller (video), and 500MB or smaller (audio).
- Please submit a JPEG or PNG still alongside video submissions.
- Submissions should be independent projects, where you retain complete creative and artistic control of the project. Do not submit projects you do not have the right to exhibit.

Please submit this completed application form along with your video, video still, and/or audio files to Operations Coordinator, Kristina Durka, at info@factorymediacentre.ca. We recommend using <https://wettransfer.com/> for emailing your large attachments.
